A review of the above-identified patent has revealed the presence of errors attributable to applicants/patentees, which however are of a minor and self-evident character, as listed below:

Cover page, first column, listing of inventors, second line, "Mokpo Jeonnam" should be -- Mokpo, Jeonnam --.

Abstract, second line, "chitosancontaining" should be -- chitosan-containing --.

While these errors are not of a serious enough nature to warrant a Certificate of Correction, the patentee nevertheless wishes to bring same to the attention of the Patent and Trademark Office, so that same is made of record in the file of this patent.

Respectfully submitted,
